

# Monday Morning League

This league is open to all golfers who enjoy spending a couple of hours playing golf in the morning and want to golf year-round. This will consist of two seven-week sessions with a fun week to end the league.

**15 WEEKS BEGINNING MONDAY, JAN. 5**

This is a handicap league, and your handicap will be determined after the second week. After established it will be a running handicap from that point on. 70% of your handicap will be used for scoring.

## FORMAT

9-hole 2-person match play format, where each player competes against another player in a head-to-head match.

There are also overall team scores, with 1 point available per hole/match and 1 point available for team score per hole/match (3 points possible per hole).

Each hole is worth 1 point in the match and the team score is also worth 1 point which makes each hole worth 3 points.
